The New Trainer & Designer Roles in

# Continuous Learning @Work

An intensive workshop on design, implementation and technologies.

## Experiential and Conversational Sessions

Join us for three weekly discovery and experiential method online workshop sessions. Seven mentors will be your guide in this workshop that is essential for trainers, designers, facilitators, leaders, and for those who want to adopt a new mindset while developing new skills towards learning that matters at work.

## Participant Benefits

- Gain knowledge and skills in new roles
- Receive a step-by-step implementation guide
- Access to multiple templates and checklists
- Obtain interactive activities and exercises in Adobe Captivate and Storyline worth \$2,500!
- Registered participants will have access to the 3 recorded sessions
- Continued support and mentoring after the sessions

### Mentors

Meet the Mentors
